

Plan Summary (2nd Revision)

Magor and Undy Community
Hub
2017-19

Outcomes by December 2019

- A sustainable, community centre and associated open space (“The Hub”) is in place and being managed effectively
- Residents are very supportive and are active in its management and development
- Residents agree that it has made Magor and Undy a better place to live
- People, of all ages, see it as place that helps create social, leisure and support networks
- People agree that it contributes to more active lifestyles
- Residents feel that the site contributes to the useable ‘green-space’ area in Magor and Undy
- People see that it helps to deliver other services that are needed by the community
