

## Magor & Undy Community Hub –

### Community Engagement Feedback Form

To assist Monmouthshire County Council, the Magor and Undy Community Hub (MUCH) and The Pentan Partnership with its proposals for the community facility, we would welcome your comments, thoughts and ideas on the proposed scheme.

This is your opportunity to shape the design of the building to ensure it is fit for purpose and meets the needs of the whole community. Tell us **‘what matters’** to you and how the building can be developed in a sustainable way, and how it can contribute towards creating a more sustainable neighbourhood, now and in the future.

<b>Name:</b>
<b>Postcode:</b>
<b>Email:</b>

#### 1. What are your general thoughts on the proposed design and layout of the building?

#### 2. Does the building meet your expectations in terms of the following: -

(Please rate on a scale of 1-5 (5 being, exceeds expectations))

<b>Functionality</b>	<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>
<b>Build Quality</b>	<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>
<b>Appearance</b>	<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>

#### 3. Does the building provide appropriate internal and external facilities, to meet community needs both now and in the future? Please rate on a scale of 1-5 (5 being provides for all of your needs)

<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>
----------	----------	----------	----------	----------

If the building does not meet your needs, please state what else you would like to be considered: -

#### 4. Management and Operational Considerations

On a scale of 1-5 (5 being extremely important) how important are the following to you (please insert a number in box provided below).

a) General building & site security	
b) CCTV	
c) Site & building signage	
d) Bike storage/shelters	
e) External lighting	

#### 5. Maintenance Resource Implications

On a scale of 1-5 (5 being very high) do you feel the design of the building minimises the amount of maintenance required now and with the future in mind? Please rate on a scale of 1-5 (5 being very low maintenance)

<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>
----------	----------	----------	----------	----------

How can the design of the building be improved in order to reduce maintenance?

#### 6. Impact on the Community

On a scale of 1-5 (5 being very high/positive effect) what impact will the building have on the following (please insert a number in the box below): -

a) Local traffic	
b) Local transport	
c) Road safety	
d) Health and wellbeing	
e) Community spirit	
f) Local/immediate environment	

#### 7. Inclusive and Accessible Design

Please tell us if, where and how the design of the building can be improved to ensure it is inclusive and accessible for all.

#### 8. Access, Transport and Movement

On a scale of 1-5 (5 being extremely important) how important are the following to you (please insert a number in the box below).

a) Road traffic safety measures	
b) Access to public transport e.g. Bus, Train	
c) Cycle path provision	
d) Pedestrian links to open space	
e) Pedestrian links to local facilities	

## 9. Landscape

On a scale of 1-5 (5 being extremely important) how important are the following to you when considering the design of the immediate surrounding landscape (please insert a number below).

a) Formal play area – playground and equipment	
b) Formal landscaping with consideration to pollinators	
c) Informal open areas including community growing areas and defined pollinator areas	
d) Planting of trees, hedges and other plants	

## 10. Sustainable Development (Including Green Infrastructure Interventions)

To assist in developing a sustainable building/site, please tick the appropriate box if you would like to see consideration given to the following: -

a) Solar Energy via Photo Voltaic Panels (PV) on the roof	
b) Green roof	
c) Rainwater harvesting	
d) Ground source heat pump	
e) Planting of trees to provide small woodland area	
f) Storage of rainwater	

## Other Considerations

Please set out below any other considerations that you feel should be taken into account in the design of the building and the site in general: -

### How can you Feedback?

You can complete and return the feedback form in person to a member of the community engagement team at one of the three community events on **Tues 6<sup>th</sup>, Thurs 8<sup>th</sup> or Sat 10<sup>th</sup> February** (See MUCH website for further information), or alternatively online at:

<http://magorandundyhub.co.uk/>

By email to: [benthorpe@monmouthshire.gov.uk](mailto:benthorpe@monmouthshire.gov.uk)

By post to: Ben Thorpe, MCC, Estates Department, County Hall, Rhadyr, Usk, NP15 1GA

You can also comment via Facebook: <https://en-gb.facebook.com/threefieldstrust/>

### How can I get involved?

If you wish to get involved in the project, please contact a member of MUCH via their website as above.

**Please respond by Friday 16<sup>th</sup> February 2018**

Thank you for taking the time in completing this feedback form.
