

Magor and Undy Community Hub (MUCH)

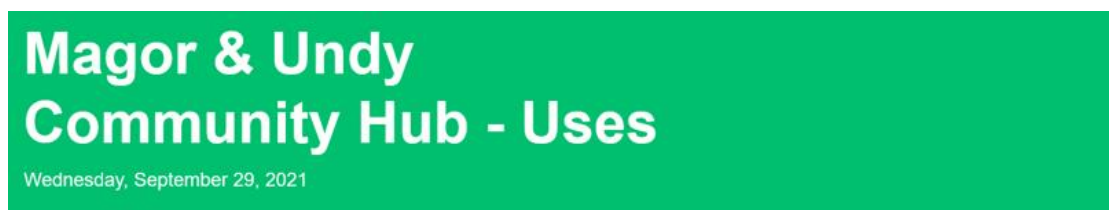

Summary of the Residents Survey – September 2021

Background

Surveys on the requirements for the proposed Hub and grounds have been carried out in 2016 and 2019/20. To demonstrate continued consultation to the Lottery an on-line questionnaire was developed in 'Survey Monkey' and published to the community via Facebook and several websites. We were pleased with the number of responses, which was more than double the number received in the previous survey.
